COMPANY OVERVIEW

Oceanides coordinates property services for homes, condominiums and company facilities. Our service offering covers siphoning, plumbing, renovation and restoration, and pest control.

ONE CONTACT THROUGH TURNOVER

Oceanides remains your main contact from the initial inquiry to turnover. We coordinate the site assessment, quotation and service delivery, including specialist contractors where the work requires them.

SERVICE PORTFOLIO

SIPHONING

Septic tank siphoning and cleaning.

PLUMBING

Declogging and pipe leak repairs.

RENOVATION & RESTORATION

House and condominium improvements.

PEST CONTROL

Assessment-based service coordination.

SIPHONING & PLUMBING

HOUSES & CONDOMINIUMS

Repair and improvement work for houses and condominiums, with a quotation tailored to the site and the agreed scope.

- House and condominium renovation
- Restoration and ceiling repair or replacement
- Roof leak repair and waterproofing
- House cleaning within the agreed scope

Oceanides coordinates the field team or specialist contractor for the agreed work.

PEST CONTROL

Illustrative pest photograph / Jari Lobo, Pexels

SITE FINDINGS FIRST

Pest control services based on an assessment of the property and the pest concerns reported by the client.

- Assessment of pest activity
- Treatment scope based on site findings
- Service scheduling and contractor coordination

The treatment scope, service schedule and specialist requirements are confirmed after assessment.

LET'S ASSESS YOUR SITE.

Tell us the service, location and preferred inspection schedule.

HOW THE WORK MOVES FORWARD

01 SITE ASSESSMENT

Review the reported problem, work areas, site access and project requirements.

02 WRITTEN QUOTATION

Define the proposed work and pricing. Confirm the scope with the client before scheduling.

03 COORDINATION

Arrange the field team or specialist contractor and coordinate access with the client.

04 TURNOVER

Review the agreed work with the client and coordinate any follow-up within the project scope.

FOR MANAGEMENT & PROCUREMENT

Share your supplier-accreditation requirements with Oceanides. We can coordinate the company documents and project information required for your review.
